

Administration

CHANGE: Password Administration

A password cannot contain parts of the user's full name that exceed four consecutive characters.

Visitor

CHANGE: Visitor Badge

The small badge 2.125" x 3.375" has been adjusted to include the report logo that is stored within the Company Settings record.

Work

NEW: Exclude Department from Invoice Report

When running the Print Invoice report within Work, you now have the ability to Exclude Department from appearing on the print out.

CHANGE: Completion Percentage Report

When running this report, you now have the ability to add the Sort options of Work Category and Property Type.
