Fix: Emailed Dashboards
An error in emailed dashboards not being sent out to customers has been resolved.

JXT: About

Change: Contact Information
The contact information listed here has been updated.

JXT: Financial

New: Additional Yardi Accounting Exports
Two new Yardi accounting exports were added into JXT based upon the business needs of a current customer.

JXT: Help Menu

Change: Online Help
The Online Help menu link has been updated to take users to our newly created Support Center, where Release Notes and Documentation are stored.

JXT: Purchase Orders – Vendor Invoice

New: Work Order Budget
The Budget field has been added to the Work detail table within the Vendor Invoice record.
